WE ARE LOOKING FOR....
BUSINESS ANALYST

Job Description:

Business analysts work with organisations to help them improve their processes and systems. They conduct research and analysis in order to come up with solutions to business problems and help to introduce these systems to businesses and their clients.

WE ARE LOOKING FOR....
SOFTWARE ENGINEER

Job Description:

As a software engineer, you'll work in a constantly evolving environment, due to technological advances and the strategic direction of the organisation you work for. You'll create, maintain, audit and improve systems to meet particular needs, often as advised by a systems analyst or architect, testing both hard and software systems to diagnose and resolve system faults.
